

Here is Our Confession
for the days that lie
ahead of us:

*“I am living in the
season of the favor and
the increase of the
Lord.*

*I declare it in the
Heavenlies and I
decree it in the Earth.*

*I take captive every
thought and every vain
imagination*

*and bring it into the
obedience of the Word.*

*Exponential growth is
all about me.*

*Whatever I put my
hands to therein will I
prosper and succeed.*

*For I am living in the
season of the favor and
the increase of the
Lord.”*

Receive the Word

Be diligent (study, labor) to present yourself approved (accepted, pleasing) to God, a worker who does not need to be ashamed, rightly dividing (to make straight and smooth, to handle aright, to teach the truth directly and correctly) the word of truth (2 Timothy 2:15).

When we accept the word of God, it germinates within us. If we do not receive the seed it cannot come to a place where it can produce life.

Hearing the word is not the same as receiving the word. Many times while we are hearing the word we can be distracted by things that concern us. And those distractions and a hard heart can keep us from receiving the word of truth when it is given. Consider the parable of the seed and the sower, although the seed that fell on the rocky soil was valuable, it suffered from the heat of the day. The same kind of seed fell on fruitful soil but had different results because of the condition of the soil. Our heart is the soil in which the word of God is planted. Its condition will determine what is received. Unless it is received into good soil, it will not germinate, reproduce or return a harvest. As the seed of God is released over each of us, it carries the same potential to recreate. It carries the DNA or blueprint of plan and purpose of life.

Every time we have opportunity to hear the word of God, let us not allow it to fall on the wayside or rocky soil. Let us receive the seed and with help of Holy Spirit comprehend the seed that is offered. God wants to produce in our life 30, 60, 100 fold on every investment He places in us. Let us stir ourselves up, setting our attention and affection for times of receiving the word of God.

The Kingdom and His Church (continued)

The kingdom of God is a spiritual kingdom and it is governmental, however it is not political. Jesus said his kingdom was not of this world (John 18:36). Yet it was on the earth. Remember: *The earth is a place and the world is a system.* ~Apostle Dave

The earth is the Lord's (Psalm 24:1) therefore, His kingdom is on the earth. It is where He reigns. His kingdom includes all of creation. It houses His glory. When He fashioned us, He hardwired us for power and the supernatural. God breathed into Adam His eternal existence. Then he said to Adam, "Govern, rule, have dominion over the earth" (Gen 1:28) As God walked and talked with Adam He released into Adam who He was, His character, ethics and principles. In the same way, when the word of God comes to us, and we receive the seed, the character of God also is released. In turn, when we release the word of God as seed, it also passes on God's nature and character (his ethics, moralities and principals). When His character is received by good soil and allowed to germinate, then the Kingdom is made manifest through us by the word. This process results in the kingdom culture being revealed.
